Hi [first name],

I finally got my home batteries installed and I'm so happy I went ahead with it. My bill was zero and the stress of those unexpected monthly bills is gone.

The company Powr Partners that helped me get financed and installed was so easy to work with. They asked me if I knew of anyone who might want to get the free batteries so I thought of you.

Mike Gault is the guy who helped me and his number is (760) 448-0026. I get a referral bonus so be sure to let him know I sent you.
